## *Bringing Science to the Beekeeper*

Registered Charity Number: 278710

### PUBLISHED BOOKLETS

1985 - 2017

(list updated October 2017)

<b>Beekeeping &amp; History</b>		
Bailey, Dr L.	Beekeeping by numbers.	1986
Charles, David	Thomas William Cowan, 1840-1926	2011
Crane, Dr Eva	Man's relationship with honey storing bees.	2001
Field, Maurice	Reducing stress in the apiary.	2006
Field, Oliver	Notes on Cameroon bee farming.	2000
Flottum, Kim	Beekeeping Math. The number games all beekeepers play.	2008
Frimston, J.D.	Beekeepers and their neighbours	1991
Knight, A.	A rational approach to the honey bees of Britain.	2005
Ryan, J	Reverend J.G. Digges: his life & contribution to beekeeping	2011
Martin, Dr S.J.	Man-made beekeeping problems: Is the capensis problem a good case in point?	2003
Williams, Prof. Ingrid H.	Oilseed rape and beekeeping.	1985
Williams, Prof. Ingrid H.	Seven decades of bee research at Rothamsted.	1993
<b>Bee Biology</b>		
Paxton, Dr R.J.	Africanised honey bees: new ideas in honey bee biology.	1992
<b>Beeswax &amp; Propolis</b>		
Calder, Dr P.C.	The anti-inflammatory effect of propolis and its components.	1998
Stoakley, Morna	'Here comes a candle to light you to bed...'	1997
<b>Bee Diseases, Parasites &amp; Predators</b>		
Bailey, Dr L.	The Isle of Wight disease.	2002
Ball, Brenda V.	Varroa jacobsoni: host-parasite-pathogen interactions.	1995
Barnes, M.; Dancer, Dr B.	Detection of European Foulbrood by DNA hybridisation analysis.	1995
Brown, R.H.	The Varroa problem.	1995
Clauss, B.	Varroasis - the German experience.	1996
Duggan, R.M.	Bees and their predators in far away places.	2000
Field, Oliver	The health of a bee farm.	1998
Kitching, I.J.	The biology of death'shead hawkmoths, Lepidopteran kleptoparasites of honeybees.	2006
Martin, Dr S.J.	The Varroa jacobsoni reproductive cycles puzzle.	1999
McMullan, John B.	Tracheal mite (Acarine) infestation in honeybees - some recent research.	2008
Message, Dr D.	Management and disease problems of Africanised bees in Brazil.	1997
Perry, Dr C.J.	What is happening to the Honey Bees? Update on (mechanisms of) CCD	2016
<b>Insects other than Honey Bees</b>		
Archer, Dr M.E.	British solitary wasps and bees with special reference to species assemblages.	2002
Edmunds, Prof. M.	When is a bee not a bee?	2002
Edwards, M.	Site management for aculeate populations.	1995
Halstead, A.	Encouraging insects in your garden.	2005
Hart, Dr A.G.	Waste and hygiene in the leafcutting ants.	2003
Martin, Dr S.J.	Social life of hornets in Japan.	1994
Peakin, Dr G.J.	The social life of ants.	1986
Sudd, Dr J.H.	The forest honey-dew harvest - is it strictly for the ants?	1986
Sudd, Dr J.H.	This little ant went to market: how do social insects respond to colony demand?	1991
Williams, Dr C.S.	Bumble bees: individuals and populations.	1997
Williams, Dr P.H.	Bumble bees and their decline in Britain.	1989

	<b>Nectar &amp; Foraging</b>	
Alton, Steve	Pollinators in a Changing Landscape	2012
Carreck, N.L.	Reduction in forage for pollinators and possible remedies.	2001
Hopkinson, G.	Trees, shrubs and bees.	2000
Roberts, P.	Analysis of Welsh nectar sources.	1999
Vinkenoog, R.	Himalayan Balsam – the impact of an invasive species on the Plant-Pollinator network	2017
Whyte, P.	Bee Forage, Past, Present and Future.	2014
Willmer, Dr P.	Insect activity patterns: why, when and where do bees forage?	1985
	<b>Pesticides &amp; Agriculture</b>	
Thompson, Dr H.M.	Pesticides and honey bees.	2000
	<b>Pheromones &amp; Insect Hormones</b>	
Couvillon, Dr M.J.	Sniffing out the Enemy: Shifting Acceptance Thresholds for Recognition	2013
Martin, S & Kather, R	Social insect recognition: telling friends from foes and how parasites like Varroa fit in	2015
Pickett, Dr J.A.	Honey bee pheromones: some recent developments in controlling honey bee behaviour.	1986
	<b>Plants &amp; Insects</b>	
Gilbert, Dr F.S.	Insect-plant coevolution in the mountains of Sinai.	1999
Harvey, Peter	Why brownfield sites are important for invertebrates.	2004
	<b>Pollen &amp; Pollination</b>	
Cresswell, Dr J.E.	Bees as pollinators: how far does pollen go?	1997
Elleman, Dr C.J.	Pollination: after the bee's visit.	1992
Garratt, Dr M.	Sustainable Pollination of UK Crops. Does a lack of pollinators limit agricultural production?	2017
Ghazoul, Dr J.	Plant-plant interactions and pollinator facilitation.	2006
Harley, Dr M.M.	Pollen – all packed up and ready to go.	2004
Jacobs, Jennifer H.	The birds and the bees: do insect pollinators affect hedgerow fruit set & abundance of frugiverous birds on farmland?	2008
Moore, Dr P.D.	Prehistoric pollen: reading the pollen archives.	1990
Osborne, Dr Juliet L.	Pollinator management: matching bees and flowers.	1996
Williams, Prof. I.H.	Modelling bee-mediated gene flow from genetically modified plants.	2001
	<b>Senses, Flight &amp; Navigation</b>	
Cooter, Dr R.J.	The flight potential of insect pests and its estimation in the laboratory: techniques, limitations and insights.	1993
Kuterbach, Dr D.	Do bees have a magnetic sense?	1987
Pye, Prof. J.D.	Flower patterns and blue skies.	1992
Wooton, Dr R.J.	Insects: the ultimate sailing machines.	1987
	<b>Social Behaviour</b>	
Davis, C.F.	Organisation of colony reproduction in the honey bee.	2003
Franks, Dr N.R.	Distributed intelligence: the case of the social insects.	1992
Hart, Dr A.G.	Information use and improvement in the honey bee.	2001
Howes, Dr P.E.	Communication in social insects.	1990
Showler, K.	Honey Bee Drone Congregations.	2012
Whyte, P.	A Sideways Look at Drones and their Role in the Colony.	2013
Williams, John	Darwin's Bees	2009
	<b>Medical Aspects of Beekeeping</b>	
Hawkins, Jenny	Wild Honey as a Drug Discovery Tool	2014
Pedley, Andrew	HACCP – the science of safe food, and the beekeeper.	2013
Riches, Dr H.R.C.	Medical aspects of beekeeping.	2004
Voaden, J.	An exploration of the public health challenges posed by honey bees and beekeeping in the UK.	2004

Booklets are priced as follows:

1985–1999: £1; 2000–2015: £2.50 (£2); 2016+: £3.00 (£2.50).

Postage & packing (UK): 1–2 bklets £1.20; 3–5 bklets £2.30; 6–7 bklets £2.80.

Order by post, with cheque payable to *The Central Association of Bee-Keepers*,  
to: **CABK Sales Secretary**
